EXECUTIVE SUMMARY

September 26, 2018

To: Citizens of Waller
From: Danny Marburger, Mayor
Subject: Executive Budget Summary, FY 2018-2019

Each fiscal year, the City Council and Staff conduct several workshops on the proposed departmental budget needs. The City Council and Staff has attempted to provide citizens with a clear understanding addressing the line-by-line needs to better operate each departments function.

The proposed budget for Fiscal Year 2018-2019 was filed with the City Secretary on August 28, 2018 and the Notice of Public Hearing was published in the Waller Times on September 5, 2018 and September 12, 2018 and posted on the City of Waller website.

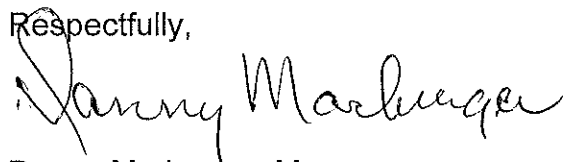

The City of Waller is in both Harris and Waller Counties Appraisal Districts. Both appraisal districts certified the 2018 Certified Tax Roll and Values. Several factors effected changes in the effective tax rate. Property values increased and new property on the tax roll added an additional \$59,537 in tax revenue. While the Maintenance and Operations tax rate reduced this year from the previous, the debt service rate increased by \$0.0346. New Principal and Interest in the Debt Service Tax Rate is due to the 2017 Certificate of Obligation issued for Infrastructure Improvements and the 2018 Bond Issue for construction of a New City Municipal Complex, development of a Civic Plaza, and renovation of the Waller Civic Center. The total ad valorem tax rate for 2018 is \$0.4975 per/\$100 valuation.

The 2018-2019 Budget reflects a 2% Cost of Living Adjustment (COLA) for employees. The city paid health insurance program, for all fulltime employees, has a projected 17% overall increase for this fiscal year. The City of Waller continues to be competitive with salaries and benefits for all employees. Purchase of a new fogger machine for the Public Works Department as well as new police vehicle and new software for the Police Department was included in the budget.

Overall, the City of Waller is in a sound financial position. We will continue to monitor economic conditions and recommend adjustments to the budget that might be warranted.

I would like to thank the City Council and dedicated staff for their hard work and assistance in developing a more transparent budget. Lastly, I would like to thank the Citizens of Waller for your continued support and faith in striving to make Waller, a premier destination for families and commercial citizens.

Respectfully,

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the effective tax rate and rollback tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest.

School districts do not use this form, but instead use Comptroller Form 50-859 Tax Rate Calculation Worksheet for School Districts.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 Water District Rollback Tax Rate Worksheet.

This worksheet is provided to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: Effective Tax Rate (No New Taxes)

The effective tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the effective tax rate should decrease.

The effective tax rate for a county is the sum of the effective tax rates calculated for each type of tax the county levies.

Effective Tax Rate Activity	Amount/Rate
1. 2017 total taxable value. Enter the amount of 2017 taxable value on the 2017 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-third over-appraisal corrections from these adjustments. This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (will deduct taxes in Line 14). ¹	\$317,911,255
2. 2017 tax ceilings. Counties, cities and junior college districts. Enter 2017 total taxable value of homesteads with tax ceilings. 8. 2017 taxable value lost because property first qualified for an exemption in 2018. Note that lowering the amount or percentage of an existing exemption does not create a new exemption or reduce taxable value. Do not include value lost to freeport or goods-in-transit exemptions.	
A. Absolute exemptions. Use 2017 market value:	\$710

17. Total value of properties under protest or not included on certified appraisal roll. ¹²	
A. 2018 taxable value of properties under protest. The chief appraiser certifies a list of properties still under ARB protest. The list shows the appraisal district's value and the taxpayer's claimed value, if any, or an estimate of the value if the taxpayer wins. For each of the properties under protest, use the lowest of these values. Enter the total value. ¹³	\$7,020,824

SECTION 2: Rollback Tax Rate

The rollback tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O):** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus eight percent. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt:** The debt tax rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The rollback tax rate for a county is the sum of the rollback tax rates calculated for each type of tax the county levies. In most cases the rollback tax rate exceeds the effective tax rate, but occasionally decreases in a taxing unit's debt service will cause the effective tax rate to be higher than the rollback tax rate.

Rollback Tax Rate Activity	Amount/Rate
26. 2017 maintenance and operations (M&O) tax rate.	\$0.3397/\$100
27. 2017 adjusted taxable value. Enter the amount from Line 11.	\$319,220,914

Enter amount from full year's sales tax revenue spent for M&O in 2017 fiscal year, if any. Other taxing units enter 0. Counties exclude any amount that was spent for economic development grants from the amount of sales tax spent.	\$658,110
C. Counties: Enter the amount for the state criminal justice mandate. If second or later year, the amount is for increased cost above last year's amount. Other taxing units enter 0.	\$0
D. Transferring function: If discontinuing all of a department, function or activity and transferring it to another taxing unit by written contract, enter the amount spent by the taxing unit discontinuing the function in the 12 months preceding the month of this calculation. If the taxing unit did not operate this function for this 12-month period, use the amount spent in the last full fiscal year in which the taxing unit operated the function. The taxing unit discontinuing the function will subtract this amount in H below. The taxing unit receiving the function will add this amount in H below. Other taxing units enter 0.	\$0
E. Taxes refunded for years preceding tax year 2017: Enter the amount of M&O taxes refunded in the preceding year for taxes before that year. Types of refunds include court decisions, Tax Code Section 25.25(b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2017. 39. 2018 rollback tax rate. Add Lines 31 and 38.	\$0.7288/\$100
40. COUNTIES ONLY. Add together the rollback tax rates for each type of tax the county levies. The total is the 2018 county rollback tax rate.	

SECTION 3: Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its effective and rollback tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its effective tax rate and/or rollback tax rate because it adopted the additional sales tax.
